

EVENT INFORMATION FACT SHEET

SELICKS BEACH MOTORCYCLE CLASSIC EVENT – 15 and 16 March 2025

Event Aims	A celebration of the historical motorcycle racing event focusing on vintage and classic motorcycles with demonstrations, races and displays		
Event Organisers	Sellicks Beach Historic Motorcycle Race Organising Committee & Motorcycling South Australia Incorporated		
Event Area	800-metre portion of Aldinga Beach and Silver Sands Beach located on the foreshore area South of the Silver Sands Beach Access Ramp (at the end of Norman Road) – see Site Plan below		
Times of Use	7am to 8pm, racing to cease at 5pm		
Event Dates	Saturday 15 March 2025	Sunday 16 March 2025	
Bump in Dates	Wednesday 12 March 2025	Thursday 13 March 2025	Friday 14 March 2025
Bump Out Dates	Monday 17 March 2025	Tuesday 18 March 2025	
Foreshore Access Point Closures	<p>Silver Sands Beach Access Ramp (at the end of Norman Road) will be closed to the public for the two-day event.</p> <p>Alternative beach access ramps are available at Aldinga Beach and Sellicks Beach.</p> <p>Pedestrian Beach Access points between Parrot Road and Loongana Road will be unavailable from 12 March 2025 until 18 March 2025</p>		
Changes to parking and traffic conditions	<p>Changes to traffic conditions will be in place in the local area to increase safety and reduce speeds. South Australian Police and qualified traffic marshals will control and organise the flow of traffic.</p> <p>No event parking (for ticket holders) will be in place in residential streets surrounding the event area during the two-day event.</p> <p>The event organisers will distribute parking passes to the surrounding residents and their guests in advance of the event to minimise disruption to residents</p>		

Risk Management	A Risk Management Plan, Emergency Response Plan, a Covid-19 Return to Sport Checklist and Hooded Plover Management Protocols will be in place to manage community and environmental safety including protocols for unauthorised access to the sand dunes and environmentally sensitive areas (other than at defined access points). South Australian Police, Sellicks Beach Country Fire Service, St Johns Ambulance service and Council Rangers will be in attendance and State Emergency Services will also be notified of the event	
Attendance	3,500 capped attendance per day	
2017, 2019, 2021 & 2023 Event Feedback	Council staff have monitored the event for several years and commend the Event organisers for the continual improvements implemented to minimise impacts to the environment and to community inconvenience. Through some lessons learned each event, the following risks are well managed as follows:	
Vegetation Removal	2025	The risk of vegetation removal is minimal as the conservation area will again be completely fenced off with no access to the area for the duration of the event
Registered Aboriginal Sites	2025	Fencing will be used to protect Registered Aboriginal sites in the vicinity of the event area for the duration of the event, to avoid any potential damage from foot traffic
Shingle/Pebble Bank	2025	To ensure foot traffic and dislodging of pebbles on Shingle Bank doesn't occur the area will be completely fenced off for the duration of the event
Event Parking & Transport	2025	Event parking will again be managed on private land on Norman Road with grass to be slashed to a low-level height to reduce the fire danger risk. Shuttle buses will be provided to transport patrons from the parking site down to the event entry point located opposite the Aldinga SLSC
Temporary Fencing	2025	The event site will be fully fenced again with 24-hour security. Temporary fencing will encourage and funnel foot traffic to designated walkways or to make use of shuttle buses. Crowd control/security officers will also assist with directing patrons to keep on the dedicated footpaths/roads when accessing the event and its amenities
